Sir,

I am directed to refer to your letter No. C&L/LBM dated 21st April 25 in which the Select Committee proposed that Municipal Councillors should be disqualified for membership of the Municipal Council if they absent themselves from the meetings of the Council for a period of six months without the permission of the Council and to state that the Government are not prepared to accept the proposal. Under the existing law, the Municipal Council can grant leave to any Councillor who absents himself from the meetings of the Council for a period of six months. The Government consider that this power is sufficient to meet the case of Councillors who absent themselves from the meetings of the Council for a long period without any reasonable excuse. They do not think that it is necessary to disqualify a Councillor who absents himself from the meetings of the Council for a period of six months without the permission of the Council.
